❑ Stallion Exchange – Token Listing Support

❖ **Support-Assisted Onboarding & Integration**

Our dedicated support team provides end-to-end assistance throughout the token listing and integration process to ensure a smooth and hassle-free experience.

❖ **Mint & Burn Mechanism Compatibility**

Token listings are subject to compatibility checks with Stallion Exchange's Mint & Burn mechanism to maintain system stability, liquidity balance, and long-term sustainability.

❖ **Special Listing Benefit**

If your project generates Self Reward of 10,000 USDT or Team Reward of 40,000 USDT in STN Token, then your token will be eligible for FREE listing on Stallion Exchange. This benefit will be applicable only after successful verification of the reward records, smart contract, tokenomics, and overall project authenticity by the Stallion Exchange team. Note : Free listing approval depends on internal review and compliance with Stallion Exchange policies.

❖ **Token Listing Fee**

The token listing fee ranges from **10,000 USDT to 100,000 USDT**, depending on:
Project size & utility, Tokenomics structure, Mint & Burn compatibility, Liquidity and ecosystem readiness

DECLARATION

I hereby confirm that all information provided in this Token Listing Form is true, complete, and accurate to the best of my knowledge.

I also confirm that the submitted token complies with all Stallion Exchange listing requirements, including but not limited to liquidity provisioning, smart contract security, transparency, and regulatory responsibility.
